

# Mass tree planting by Isha Foundation & Wipro

Mysore, Feb. 19- Isha Foundation, along with Wipro Infotech and Sri Lakshmikantha Swamy Temple Committee had organised a mass tree planting

programme on Feb. 14 at the premises of Sri Lakshmikantha Swamy Temple in Hebbal Industrial Area.

Isha Foundation, as part of

their "Project Green Hands," had organised this event and Wipro under its Corporate initiative "Eco-Eye," had participated in this event with active involvement of their employees. The project envisages the planting 1000 saplings in the premises. As a start up, about 300 saplings of different species ranging from flowering, fruit-bearing and timber trees were planted.

About 350 volunteers participated in the tree-planting programme. A talk by K.B. Sadanand, environmentalist, was also organised to spread awareness about the importance of planting trees and protecting the environment.

Swamy Nagaroopu from Isha Foundation spoke about Isha's involvement in the greening of Tamil Nadu by tree planting. Wipro Location Head Nandakumar spoke about the corporate initiative "Eco-Eye." Wipro also awarded certificates to the children of Arsha Vidya Kendra, Hebbal, as well as children who participated in the programme.
