

Isha to open health clinic

Express News Service
Coimbatore, October 2

ISHA Foundation will open a rural health clinic at Alandural, near here on Saturday.

According to a press release, the clinic will offer allopathic as well as alternative medical services at low cost. It will also create an awareness of maintaining health among rural people. The clinic will also conduct special programmes for paediatric and geriatric care.

Isha Foundation founder Sadhguru Jaggi Vasudev, M Kannappan, MLA, Microsoft India chairman Ravi Venkatesh, Coimbatore Medical College Hospital Dean Dr V Kumaran, and Suzlon Energy Ltd's divisional general manager VSR Ramesh Rao will participate.
